

**WHY
CHOOSE** 
...?

**F Series
Opaque
Cover
with Mounting Ears**

ABS

IP67

Sturdy

The F Series Opaque Cover with Mounting Ears is designed for robust performance in demanding environments. Made of high-quality ABS engineering plastic, it provides superior impact resistance and durability. The mounting ears make it easy to install, and the IP67 rating ensures it is dustproof and waterproof, perfect for critical equipment protection.

Benefits:

- Offers superior protection against dust and water with an IP67 rating.
- Designed for durability with wear-resistant properties and a long lifespan.
- Ideal for various industrial environments, ensuring ease of use and reliability.

Applications:

Airports

Cabinets
